Are deportees being held in a converted shipping container in Djibouti?

"Deportees are being held in a converted shipping container in Djibouti, ICE says". NPR. Retrieved 10 June 2025. ^ Romero, Laura (6 June 2025).

Does the US military in Djibouti have a problem with the detainees?

The US officials added that that the situation has angered Djiboutian government officials, and that the US military in Djibouti has messaged back to Washington "significant concerns" over keeping the detainees there and the possible impact on military relations.

Why are ICE officers and migrants still in Djibouti?

ICE did not immediately respond to a request for comment on why the officers and migrants were still in Djibouti. In the Thursday court filing, Melissa Harper, acting deputy executive associate director at ICE, said that the migrants are being held in a conference room in a converted Conex shipping container at Camp Lemonnier, a U.S. Naval Base.

When will detainees move on from US Navy base in Djibouti?

It's unclear when or how the detainees — who have criminal records and come almost entirely from countries other than South Sudan — will move on from the US Navy base in Djibouti, Camp Lemonnier, one official said.

How long will ICE detainees stay in Djibouti?

Acting director of US Immigration and Customs Enforcement (ICE) Todd Lyons speaks during a news conference about a recent migrant flight to South Sudan at ICE Headquarters in Washington, DC, on May 21. White House spokeswoman Karoline Leavitt said Thursday that the detainees will have to

be in Djibouti “for over two weeks.”.

How can container homes be used for military applications?

The container homes at Operation Enduring Freedom-Horn of Africa 's base at Camp Lemonnier, Djibouti, provide an excellent example of how to create containerized housing units for military applications. Shipping containers are traditionally used to ship cargo across continents.
