160v lithium battery pack

Overview

What is a 51V 160AH lithium battery?

The Eco Battery 51V 160Ah lithium battery caters to two distinct audiences: the lightly modified cart enthusiast looking for exceptional range and the highly modified crowd needing robust power to support lift kits, oversized tires, extensive lighting, and enhanced stereo systems.

What is a roamer 160smart4 battery?

It's easy to use, connects via Bluetooth, and lets you track and monitor the status of your battery from the comfort of your van, boat, or home. Real-time feedback at your fingertips. The Roamer 160SMART4 is a compact drop in 12V 160Ah LiFePO4 battery for install in a campervan, motorhome, boat, tiny house or even wild camping.

Does eco battery lithium have a warranty?

(Item: A-4220) Eco Battery lithium is backed by an 10-year warranty. With a U.S.-based headquarters and an industry-leading support team, we are here for a lifetime of service and support. Explore further and go longer with increased capacity and greater discharge potential compared to lead-acid batteries.

Can victron BMS batteries be shipped to Hawaii?

Note: This battery must be used with the Victron BMS and other appropriate Victron equipment. NOTE: lithium batteries cannot be shipped to Hawaii via UPS Ground. If you need this battery shipped to Hawaii, please email us or give us a call to place your order. Buy in monthly payments with Affirm on orders over \$50. [Learn more](#)
