

SolarInvert Energy Solutions

Malaysia Solar Base Station Agent

Overview

What is a solar company in Malaysia?

As a solar company in Malaysia, our Vision is to build a better, beautiful and inspiring world, where all of us can power a brighter future with sustainable green energy. Our systems are equipped with Bloomberg Tier 1 Solar PV Modules and top tier performance monitoring system to guarantee a “Peace of Mind”.

Why should you choose a solar power provider in Malaysia?

As a leading solar power provider, we make it easy for you to save up to 90% on electricity bills with the fastest installation in the solar system Malaysia market! Our solutions are engineered for durability, efficiency, and maximum energy output, enhancing your property’s value while reducing carbon footprints.

Who is founder Energy Sdn Bhd?

Established in 2021, Founder Energy Sdn Bhd specializes in implementation of solar photovoltaic projects for large scale solar, commercial, industrial and residential. As a subsidiary of Reservoir Link Energy Berhad, we are a pure-play, end-to-end EPCC solutions provider for solar PV facilities in Malaysia.

What is Malaysia's number 1 home solar – 3 years in a row?

Malaysia’s No.1 Home Solar – 3 Years in a Row! Malaysia's trusted leader in residential solar energy, with the MBOR title for 'Most PV Homes Installed' three years in a row—over 3,000 homes powered and counting. Ensuring your installation is done right, with full transparency and complete peace of mind.

Why should you choose solarvest in Malaysia?

As a full-service solar company in Malaysia, we provide solutions that maximize efficiency, reduce energy bills, and contribute to a greener future. As solar Malaysia continues to grow in demand and innovation, Solarvest

remains at the forefront by enabling accessible, scalable, and reliable clean energy.

Why is LSSPV a top choice among solar companies in Malaysia?

From LSSPV farms to commercial solar systems, our engineering expertise and industry recognition make us a top choice among solar companies in Malaysia. We were also the first company to achieve COD under Malaysia's inaugural LSS programme, proving our commitment to execution and excellence.
