Mobile power box production

Overview

Are Lex portable power distribution boxes waterproof?

Lex products portable power distribution units have NEMA 3R, 3R Weather Resistant or 3R Rainproof environmental ratings depending on the distro box. The indoor distro boxes have a NEMA 1 Indoor environmental rating, like the versatile 100 amp 3 phase PowerHOUSE™ Pagoda portable distribution box.

How is a portable power distribution box inspected and tested?

Each portable power distribution box is inspected and tested in accordance with EN 60 439-1; 1994 table 7, A copy of the test certificate is provided with each unit. This test data is also preserved and can be retrieved for future reference.

Are Lex powerhouse™ & powerrack™ portable distribution boxes cULus listed?

Lex Products PowerHOUSE™ and PowerRack™ portable distribution boxes are cULus listed and ready to deliver fail-safe, convenient, long lasting products for the entertainment, industrial, and military industries that need durable and innovative power they can rely on.

How many amps does a power distribution box have?

Our power distribution boxes range from 20-800 Amps and are well known for being durable, long lasting and safe. Load Master™ Series portable power distribution boxes are the first in the industry to feature outputs with adjustable current ratings to match specific application loads.

What are load master™ series portable power distribution boxes?

Load Master™ Series portable power distribution boxes are the first in the industry to feature outputs with adjustable current ratings to match specific application loads. These temporary power distribution boxes feature 1, 3 or 4 adjustable circuit breakers, with a range of amperage and voltage ratings.

What does a portable power distribution center do?

Everything that you do depends on what we do. That is why Motion Laboratories Portable Power Distribution Centers are designed and built with one purpose in mind - to allow you to forget about your power and concentrate on making your end product look or sound exactly as your client envisioned it.
