

## **SolarInvert Energy Solutions**

# Moldova Commercial Energy Storage System

## **Overview**

Moldova will buy a Battery energy storing system (BESS) of the last generation, with a capacity of 75 MW, as well as internal combustion engines (ICE) with a capacity of 22 MW. This will help the country consolidate its energy security.

## **Moldova Commercial Energy Storage System**

## US to invest EUR78.6 million in battery energy storage system in ...

The US will invest EUR78.6 million in a large-scale battery energy storage system in Moldova to enhance the country's energy resilience.
